PARKING FOR BUSINESS

Presenting a town that is parking friendly is good for business.

We encourage you and your staff to save the most convenient parking spaces for customers.

Drop off and unloading of supplies etc. is understandable, then we can skedaddle to a municipal lot.

Cooperation is asked of all.   Some of you are contacting our chamber of commerce office to describe your frustration at fellow business owners and employees parking in front of someone else's business. And how doing so takes parking spaces away from paying customers. Please consider the following alternatives.

WHERE TO PARK

Municipal parking lots offer free, unlimited parking. Locations include:

➢ Glendon Street lot; adjacent to walking/biking path
➢ Railroad Avenue, a smaller lot located along the "back way" to Glendon St. lot; adjacent to walking/biking path
➢ Additional *newly paved* spaces also on Railroad Ave. next to former freight building.
➢ Next to 91 Center St; easy access to any direction, and to walking/biking path
➢ Mast Landing on Center St; adjacent to walking/biking path

In addition to municipal lots, unlimited parking is available here:

➢ South Main St: South of Union to the intersection of Main & Center St (Pickering Corner)

➢ North Main St: from Sewall Road to Friend Street

➢ Behind Carpenter School on South Main St next to Town Hall: When school is not in session.

PARK & RIDE SHUTTLE

➢ July and August, 2023: Departs Kingswood Art Center, stops at Wolfeboro Municipal Parking Lot located at the corner of North Center St/109A, stops at former railroad station (information center), returns to Kingswood Art Center. All the details at www.wolfeborotrolley.com 603-569-1080.
